SPIRITUAL LIFE WEEK

From November 30 to December 8 there were new decisions made for the Lord at I.M.S. At that time Brother Paul Landis from Crockett, Kentucky was with us for Spiritual Life Week. Besides speaking in chapel, he interviewed students personally. During this time we had voluntary prayer meetings at noon and also started a prayer chain.

The fellowship of prayer and the benefits of the messages combined to make Spiritual Life days really inspiring.

Prayer and Counseling

PRAYER AND COUNSELING GROUPS

A Christian school could not be complete without having prayer meetings. Every Monday morning at 9:30 each teacher meets with his assigned group. The students bring prayer requests, and through prayer we realize the nearness of God and that He really does answer prayer. The teacher aims to counsel with each member of his group two times during the year.

We, the Seniors, hope that as you have paged through this book you have been drawn closer to God and have realized anew the values of a Christian education. We wish to thank our parents and friends who have contributed so generously to make this school possible. It is our prayer that we might be good stewards of our knowledge and may more effectively serve our church, community, and country "In the Name of Christ".
